

New Jersey Department of Children and Families Policy Manual

Manual:	NJAC	NJ Administrative Code Excerpts	Effective Date:
Title	10	Human Services	
Chapter	121	Adoptions	12/7/2011
Subchapter:	3	Medical Information	
Section	1	Medical information forms (N.J.A.C. 10:121-3.1)	

§10:121-3.1 Medical information forms

Pursuant to N.J.S.A. 9:3-41.1, an approved adoption agency shall provide prospective adoptive parents with all available information relevant to the child's developmental and medical history, personality, and the parent's medical histories, including drugs or medications taken during pregnancy or any conditions believed to be hereditary and any other aspects of the parent's health which may influence the child's present or future health. This information shall be shared with the prospective adoptive parent prior to the actual placement of the child in the home or upon completion of an investigation conducted by an approved agency pursuant to N.J.S.A. 9:3-41.1. This information shall be provided to the prospective adoptive parent on a specified form which is designated by the Office of Licensing to be used for each adoption complaint investigation in New Jersey and is available from:

Office of Licensing
PO Box 717
Trenton, NJ 08625-0717
